3 3 3

Ooo - ooh! Sneak-ing and creep-ing and sneak-ing a-round!

*(Stand still, feet together, raising swirling fingers to match "Oooh!")* *(4 big crouching steps around room on the beat)*

*ff*

Ooo - ooh! Ooh - ooh! Tip - toe, tip - toe, tip - toe, BOO!

*(Stand still, feet together, raising swirling fingers to match "Oooh!")* *(Stand still, feet together, raising swirling fingers to match "Oooh!")* *(3 little, careful tip-toes on the first beat of each measure)* *(Jump toward another student and say "Boo!")*

Say this verse with great drama and suspense. It is really fun to allow different students to be the leader. Encourage them to take their time before saying "Boo!" so that there is 'lots of anticipation!
